WELCOME
to Boulder Junction

Boulder Junction is a year round vacation destination.

If you love swimming and boating, June, July and August are ideal times to visit. Warm temperatures and sunny skies make for perfect summer days on the water.

Fall leaves are a big draw—peak colors usually arrive in Boulder Junction from late-September to early October. Crisp air and color everywhere make this one of the most spectacular seasons in the Northwoods.

The snow season typically runs from December-March and is a winter enthusiasts dream. Breathtaking beauty surrounds after a fresh snowfall when area trails are groomed for snowmobiling and cross-country skiing.

Spring arrives in late April, and the forests come to life throughout May and early June, so it's an excellent time to enjoy early wildflowers and view migratory birds.

During any time of the year, be sure to look up at night. The open sky and lack of light pollution is a perfect mix for stargazing. On rare occasions, you may catch the magic of the Aurora Borealis, or Northern Lights, as seen on the cover of this guide.

Make your vacation **Boulder**—let us help you book your vacation today. Visit boulderjct.org before you arrive or give us call at the Boulder Junction Chamber of Commerce. 1-800-GO-MUSKY. While you are here, be sure to stop by our little log cabin on Hwy M for personal service from our smiling staff. We are open and here for you year-round.

Fish

BOULDER JUNCTION

Muskellunge

"Boulder Junction's prized trademark." A lean, hard muscled fighter that reaches a maximum length of over 5 feet and a weight of almost 70 pounds.

Northern Pike

Pike attain lengths of as much as 50 inches and the record Wisconsin fish weighed 38 pounds.

Walleye

The largest member of the perch family grows to lengths over 30 inches and the record Wisconsin fish weighs 18 pounds and was caught in High Lake.

Largemouth Bass

This largemouth grows to a weight of 11 pounds and a length of about 24 inches.

Smallmouth Bass

An average smallmouth weighs between 1 and 2 pounds and will measure about 12 inches and is considered the scrappiest fish of all.

Brook Trout

This brightly colored fish is native to Wisconsin's streams and feeds on stream insect larvae, but will readily take baits such as worms, minnows and chub tails.

Yellow Perch

They move about in schools, often numbering in the hundreds. The perch is primarily a bottom feeder with a slow deliberate bite.

Black Crappie

An excellent game fish when taken on light tackle, the crappie may grow to a length of 18 inches.

Bluegill

Labeled a "panfish," the bluegill is almost as deep as it is long. Length sometimes reaches 10 to 12 inches and weights go up to 2 pounds.

Cast away in the Musky Capital of the World®.

Bring a cooler and plenty of bait—we'll provide the trophy fish. When you cast your line in the Musky Capital of the World®, you're sure to catch walleye, bass, panfish, pike and (of course) Boulder Junction's famous musky.

Explore the lake information on page 6 for more information on some of the best fishing lakes in Boulder Junction.

BOULDER JUNCTION

Boulder Junction Community Center & Public Library

- One large meeting room space that can be divided into 3 separate rooms. Each meeting room has a projector that can be connected to a laptop, tablet or DVD/Blu-ray player and a projector screen.
- Outdoor covered canopy that is well-lit and connected to the sound system.
- A warming kitchen that includes a commercial-size refrigerator and freezer, a commercial gas range, a dishwasher and a 4-part sink.
- Local catering services are available.
- A conference room that seats up to 18 with movable tables and chairs that can be configured for a board meeting or a training room. Built-in projector and screen make it an ideal room for meetings.
- The library has 7 public access computers, WiFi 24/7, and a reading room.
- Beautifully landscaped outdoor reading garden.
- The building is completely handicap-accessible including power-assist buttons to open doors.

Located on Hwy M south, the Community Center is an inviting location for meetings, weddings reunions or special events. This versatile space will accommodate groups of 10 to 285.

Reserve

for your next meeting, special event or wedding, please contact our Town Clerk at (715) 385-2220.
