

The health of our small community is of the utmost importance to us. Coontail Market is doing everything we can to continue to provide the great, customer service we are known for, in addition to keeping our customers safe.

Coontail Market is expanding our services to include Curbside and Home Delivery for our elderly and those with health conditions as an aid for crucial, recommended distancing efforts. Our brick and mortar location will also remain open during our regular business hours at this time, with increased cleaning/disinfecting measures for your safety.

Our Home Delivery service will be offered within a 15 mile radius of our Boulder Junction location at no cost to our customers for a minimum order of \$25. With this system in place, our staff will leave all Home Delivery orders at the customer's doorstep, eliminating close personal interaction. All orders must be paid for with a check at time of pick-up - or - credit card over the phone.

Coontail Market will do our best to fulfill your orders, but please be patient during this time of high demand. Some items or brands may not be in stock at the time of your order, but we will restock as soon as they become available.

At this time, you can place your Curbside or Home Delivery via phone:

Phone Orders: Please call (715) 203-4702 directly - or- (866) 375-2628, ext. 312. You will receive a voicemail message, which prompts you to leave your name and number. One of our Coontail Market employees will follow up with you within the hour to place your order and to provide you with your delivery time-frame.

Please check Coontail Market social media pages for real time updates.
