

## The Boulder Junction Snowmobile Club needs a new **TRACTOR** for the **TRAILS**!

### WHY?

- Currently operating with 1998-8400 John Deere and a 2011-7230 John Deere
- We have the oldest Groomer in the County. Most clubs replace them every 3 years.
- Boulder Junction has the 2nd most miles of trails in the County
- Repairs are expensive! A machine getting repairs, isn't grooming the trails.

### DID YOU KNOW?

- The Board of directors has been actively searching for a new machine.
- Fundraising goal is \$300,000
- The 7230 was paid off in 2017 and the club is debt free.
- Since 2017 the club has been fundraising for the new groomer and has raised \$150,000
- Goal is to have the new machine for the 2022 snowmobile season.
- The club is a 501c3 organization and your donation is a tax deduction.
